What Katie's Clients Say...

“Ms. Palmont did a outstanding job with the selling of my property. I always received emails from her along with text messages walking me step by step through the process. Whenever I reached out to her I would hear from her within the day, and often times within the hour. Ms. Palmont did a great job answering all of my questions, and I had several so that shows her knowledge of the business. She is extremely friendly and continued to stay positive from start to finish. I definitely have found the agent I will work with moving forward and it's without a doubt Katie, not to mention I already have referred her to friends as well as family. Thanks again for everything.” - Mathew, Sold March 21, 2016

“Katie Palmont is simply incredible. Knowledgeable about the process she held my hand the whole way. She came in with a strategy to sale and it worked. We had our home listed for over 90days for sale by owner on the Internet sites with little activity. Her method is thoughtful and gets results. We had multiple offers in 5 days! We followed her advice in getting our home ready and it was worth it. She knows what works. I recommend her to everyone.” - Bernice, Sold October 23, 2015

“From the moment I met Katie, I was impressed. She arrived in time and looking very professional. She had researched my property as well as comparable, printed and brought various forms that she thought I may need and she even mentioned a number of other items that I hadn't considered by I definitely needed to. Katie was responsive and prompt in all of our communications and even went so far as to introduce me to other individuals when my needs were out of her normal realm. Everyone she introduced me to also had the same level of customer service and thoroughness. I recommend Katie whenever I can!” - Pierce, Seller and Buyer 2014.
